

APPLICATION INSTRUCTIONS FOR STATE GRANT FOR THE CLOSURE OF PUBLIC UNLINED LANDFILLS UNDER RSA 149-M

SECTION I - APPLICANT INFORMATION

If this is the first grant application filed by the City/Town for the landfill, please check **Initial**. If this is a subsequent filing, reporting additional expenditures either due to a partial application filed prior to this date, or the discovery of past eligible closure costs not previously reported, please check **Supplemental**.

Complete Section I by filling in the Facility Name, Address, Waste Management Permit No., and Groundwater Permit No.

SECTION II - APPLICANT CERTIFICATION AND AGREEMENT

Section II must be signed and dated by an authorized representative approved by the governing body of the municipality. The signature must be notarized.

SECTION III – CITY/TOWN APPROVAL

Attach to the application a **certified** copy of the warrant article, corporate resolution or other legally binding document, as appropriate, authorizing the landfill closure project.

SECTION IV - CLOSURE INFORMATION

Lines 1 through 3 - List the information as requested.

Line 4 - landfill closure is considered complete when:

- Certification of completion and acceptance of landfill closure has been declared by the city/town; **and**
- All authorized closure activities has been completed and paid; **and**
- No additional closure activities are anticipated, excluding post closure monitoring commitments.

If landfill closure is determined to be **complete**, proceed to Section V and Schedule A. **Note: If As-Builts have not been furnished to the Department under separate cover, please attach to the application.**

If landfill closure is determined **not to be complete**, proceed to Section V and Schedule B.

SECTION V - ELIGIBLE CLOSURE COST INFORMATION

Line 1 - Fill in the dates for the period in which the request for reimbursement of eligible costs covers.

Begin date is the date of the first invoice submitted for reimbursement in this application request.

End date is the date of the last invoice submitted for reimbursement, in this application request.

SECTION V - ELIGIBLE CLOSURE COST INFORMATION (continued)

Lines 2 through 5 – On the appropriate line, report eligible hydrogeological, engineering, construction, and other costs for which reimbursement is being requested. Costs should be divided into: (a) amount paid in cash, (b) amount financed and (c), total costs for that activity ((a) + (b)).

Line 6 – Add columns 2a through 5a for total eligible costs paid in cash, columns 2b through 5b for total eligible costs financed, and columns 2c through 5c for total eligible costs associated with the landfill closure through the end date reported.

Attach all signed contracts and change orders pertaining to the closure of the landfill.

NOTE: All costs reported as eligible must be documented with invoices and proof of payment in order for eligibility to be considered. Invoices and proof of payments should total Line 6c.

Examples of eligible costs include, but are not limited to:

- Pre-closure hydrogeological investigation
- Pre-closure engineering investigation
- Construction design
- Closure construction
- Construction supervision

Examples of non-eligible costs include, but are not limited to:

- Land acquisition, except for land which is necessary to the physical elements of closure
- Meals and Lodging
- Finance or interest charges as a result of delinquent payments
- Legal costs
- Fiscal costs, such as employee benefits, social security, etc.
- Administrative costs, such as day-to-day business operations
- Preparation of the grant application

Lines 7a through 7c – List the amounts (if any) financed by SRF, bond or other methods. For any financed amounts, an institution generated amortization schedule must be attached to the application.

Line 8 – List all sources and the contributions received toward the cost of closure of the landfill.

Examples of contribution sources include, but are not limited to:

- The U.S. Farmers Home Administration
- Rural Development Administration
- Housing and Urban Development
- Community Development Block Grant
- Contributors from private third parties, including but not limited to potentially responsible party (PRP) groups formed to collectively participate in the closure of the landfill.

SCHEDULE A - CERTIFICATION OF COMPLETION AND ACCEPTANCE OF LANDFILL CLOSURE

Complete Schedule A, only if only if you answered yes to question 4 of Section IV.

Complete Schedule A by filling in the Facility name and address.

Acceptance of the landfill closure project must be acknowledged by the authorized representative of the governing body as well as the consulting P.E. firm.

SCHEDULE B - ESTIMATED FUTURE ELIGIBLE LANDFILL CLOSURE COST OBLIGATIONS

Complete Schedule B, only if you answered no to question 4 of Section IV.

Line 1 - Facility Name.

Line 2 - Note the projected date of completion of the landfill closure project.

Line 3a thru 3d - List all future eligible costs you expect to incur. No costs reported here should appear in Section V of this application.

Line 3e - Total of Lines 3a through 3d.

NOTE: All future costs reported as eligible will need to be documented with invoices and proof of payment upon the applicant's request for reimbursement at a later date.

If you need guidance in preparing the application, please call Patty Juranty, Supervisor of the Financial Oversight Section, at (603) 271-2925.
